SUMMARY OF SUBSTANCE OF PERSONAL INTERVIEW

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

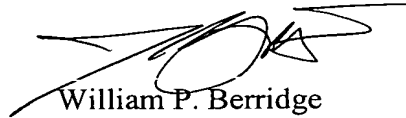

Sir:

Applicant appreciates the courtesies shown to Applicant's representative by Examiner Manahan in the February 13, 2007 personal interview. Applicant's separate record of the substance of the interview is incorporated into the following remarks.

Applicant's representative discussed the arguments set forth in Applicant's December 14, 2006 Amendment. Based on these arguments, and in consideration of the claim amendments contained in the December 14 Amendment, the Examiner indicated that the amendments to the claims appear to overcome the previous rejections asserted in the July 14, 2006 Final Rejections.

Should the Examiner believe that anything further would be desirable in order to place this application in even better condition for allowance, the Examiner is invited to contact the undersigned at the telephone number set forth below.

Respectfully submitted,
